MEMORANDUM FOR: Deputy Assistant Director for Research and Reports

FROM: Chief, Industrial Division, ORR

SUBJECT: [REDACTED] visit 25X1C8c

1. It is observed in the final paragraph of the attached memorandum that "The ORR analyst will not attend the automation conference, but will accompany [REDACTED] only on the plant visits on the following days: 21 September, 24-27 September." 25X1C8c

25X1A9a 2. We are proposing to send [REDACTED] to the conference in September but did not plan to have him accompany [REDACTED] on the plant visits. [REDACTED] has just recently resumed responsibility for the automation problem in MM and I was concerned that a long trip with [REDACTED] might prove embarrassing to [REDACTED] and the Agency. I feel, however, [REDACTED] will benefit from the automation conference in New York and will be in a better position to discuss common problems with [REDACTED] than he would otherwise be. 25X1A9a 25X1C8c 25X1A9a 25X1C8c

3. We are looking forward to having [REDACTED] with us on 27 or 28 September. 25X1C8c
